- 2.2 No terms or conditions endorsed on, delivered with or contained in the Buyer's purchase order, confirmation of order, specification or other document shall form part of the Contract simply as a result of such document being referred to in the Contract.
- 2.3 These conditions apply to all the Company's sales and any variation to these conditions and any representations about the Goods and/or Services shall have no effect unless expressly agreed in writing and signed by the Sales Director of the Company. The Buyer acknowledges that it has not relied on any statement, promise or representation made or given by or on behalf of the Company which is not set out in the Contract. Nothing in this condition shall exclude or limit the Company's liability for fraudulent misrepresentation.
- 2.4 Each order or acceptance of a quotation for Goods and/or Services from the Company shall be deemed to be an offer by the Buyer to buy Goods and/or Services subject to these conditions.
- 2.5 No order placed by the Buyer shall be deemed to be accepted by the Company until a written acknowledgement of order is issued by the Company or (if earlier) the Company delivers the Goods to and/or carries out the Services for the Buyer.
- 2.6 The Buyer shall ensure that the terms of its order and any applicable specification are complete and accurate.
- 2.7 Any quotation is given on the basis that no Contract shall come into existence until the Company despatches an acknowledgement of order to the Buyer. Any quotation is valid for a period of 60 days only from its date, provided that the Company has not previously withdrawn it.

## 3. DESCRIPTION

- 3.1 The quantity and description of the Goods and/or Services shall be as set out in the Company's quotation or acknowledgement of order.
- 3.2 All samples, drawings, descriptive matter, specifications and advertising issued by the Company and any descriptions or illustrations contained in the Company's catalogues or brochures are issued or published for the sole purpose of giving an approximate idea of the Goods described in them. They shall not form part of the Contract and this is not a sale by sample.

## 4. DELIVERY

- 4.1 Unless otherwise agreed in writing by the Company, delivery of the Goods shall take place at the time the Goods have been unloaded at the delivery address nominated by the Buyer.

4.2 The Buyer shall take delivery of the Goods within 30 days of the Company giving it notice that the Goods are ready for delivery.

4.3 Any dates specified by the Company for delivery of the Goods or commencement or duration for performance of the Services are intended to be an estimate and time for delivery and/or performance shall not be made of the essence by notice. If no dates are so specified, delivery and/or performance shall be within a reasonable time.

4.4 Subject to the other provisions of these conditions the Company shall not be liable for any direct, indirect or consequential loss (all three of which terms include, without limitation, pure economic loss, loss of profits, loss of business, depletion of goodwill and similar loss), costs, damages, charges or expenses caused directly or indirectly by any delay in the delivery of the Goods or performance of the Services (even if caused by the Company's negligence), nor shall any delay entitle the Buyer to terminate or rescind the Contract unless such delay exceeds 60 days.

4.5 If for any reason the Buyer fails to accept delivery of any of the Goods when they are ready for delivery, or the Company is unable to deliver the Goods on time because the Buyer has not provided appropriate instructions, documents, licences or authorisations:

- (a) risk in the Goods shall pass to the Buyer (including for loss or damage caused by the Company's negligence);
- (b) the Goods shall be deemed to have been delivered; and
- (c) the Company may store the Goods until delivery, whereupon the Buyer shall be liable for all related costs and expenses (including, without limitation, storage and insurance).

4.6 If the Company delivers to the Buyer a quantity of Goods of up to 5% more or less than the quantity accepted by the Company, the Buyer shall not be entitled to object to or reject the Goods or any of them by reason of the surplus or shortfall and shall pay for such goods at the pro rata Contract rate.

4.7 The Company may deliver the Goods by separate instalments. Each separate instalment shall be invoiced and paid for in accordance with the provisions of the Contract.

4.8 Each instalment shall be a separate Contract and no cancellation or termination of any one Contract relating to an instalment shall entitle the Buyer to repudiate or cancel any other Contract or instalment.

## 5. CANCELLATIONS AND RETURNS

The Buyer shall not be entitled to cancel any Contract or return Goods for refund without the prior written consent of the Company (which will be the absolute discretion of the Company) and payment of a handling charge of 20% of the Price in respect of ex stock items and in the case of made-to-measure items a percentage of the Price dependent upon the stage of manufacture reached at the point of cancellation.

## 6. NON-DELIVERY

- 6.1 The quantity of any consignment of Goods as recorded by the Company upon despatch from the Company's place of business shall be conclusive evidence of the quantity received by the Buyer on delivery unless the Buyer can provide conclusive evidence proving the contrary.
- 6.2 The Company shall not be liable for any non-delivery of Goods (even if caused by the Company's negligence) unless the Buyer gives written notice to the Company of the non-delivery within 7 days of the date when the Goods would in the ordinary course of events have been received.
- 6.3 Any liability of the Company for non-delivery of the Goods shall be limited to replacing the Goods within a reasonable time or issuing a credit note at the pro rata Contract rate against any invoice raised for such Goods.

## 7. INSTALLATION

7.1 All costs in relation to installation by the Company shall be payable by the Buyer in addition to the price of the Goods. The following standard charges apply (duration of each installation is dependent on the type of work being carried out):

- £400 + VAT per day (per engineer)
- £285 + VAT per ½ day (per engineer)
- £285 + VAT Service Callout (parts not included)

7.2 The Buyer shall be solely responsible for ensuring that its site and adequate and safe access thereto is ready for installation of the Goods. Fixing points must be adequate for the proper and secure installation of the Goods. The Buyer must pay for the cost of any modification to its site or the Goods that is required to enable the Goods to be properly installed.

- 7.3 The Buyer shall be solely responsible for all ancillary work required and costs incurred in connection with installation of Goods, including (without limitation) access, scaffolding hire, electrical work, decorating, or making good.
- 7.4 The Buyer shall advise the Company of any hidden obstruction (including without limitation, electricity, telephone and other communications cables and water, gas and drainage pipes) that may be encountered during installation of the Goods. The Company will not be liable for any damage to any structure, surface or service. The Buyer will pay all costs incurred by the Company in consequence of any damage to any hidden obstruction and will indemnify the Company against all liability, loss, cost and expense that it incurs arising out of or in consequence of installation of the Goods or damage to any structure, surface or service.
- 7.5 At all times, suppliers must comply with the Regulations. The Regulations provide that the Suppliers performing the installation services must fit any safety device supplied with the Goods.
- (a) In the event that the Customer should refuse to allow the Supplier to fit any such safety device accompanying the Goods, then the Supplier will be at liberty to refuse to carry out the Services. In such instance, the Customer will still be liable to pay the Supplier the Price in full under the Contract.
- (b) The Customer shall not be entitled to treat the Suppliers refusal to carry out any Services in relation to the Goods for the reasons set out in this clause 7.4 as a fundamental or any breach of contract. The Customer will still be bound under the Contract to take delivery of the Goods.
- 7.6 The parties to the contract consider the provisions of this clause 7.4 to be reasonable under all the circumstances given the Supplier's obligations under the Regulations.
- 8. RISK/TITLE**
- 8.1 The Goods are at the risk of the Buyer from the time of delivery.
- 8.2 Ownership of the Goods shall not pass to the Buyer until the Company has received in full (in cash or cleared funds) all sums due to it in respect of:
- (a) the Goods; and
- (b) all other sums which are or which become due to the Company from the Buyer on any account.
- 8.3 Until ownership of the Goods has passed to the Buyer, the Buyer shall:
- (a) hold the Goods on a fiduciary basis as the Company's bailee;
- (b) store the Goods (at no cost to the Company) separately from all other goods of the Buyer or any third party in such a way that they remain readily identifiable as the Company's property;
- (c) not destroy, deface or obscure any identifying mark or packaging on or relating to the Goods; and
- (d) maintain the Goods in satisfactory condition and keep them insured on the Company's behalf for their full price against all risks to the reasonable satisfaction of the Company. On request the Buyer shall produce the policy of insurance to the Company.
- 8.4 The Buyer may resell the Goods before ownership has passed to it solely on the following conditions:
- (a) any sale shall be effected in the ordinary course of the Buyer's business at full market value; and
- (b) any such sale shall be a sale of the Company's property on the Buyer's own behalf and the Buyer shall deal as principal when making such a sale.
- 8.5 The Buyer's right to possession of the Goods shall terminate immediately if:
- (a) the Buyer has a bankruptcy order made against him or makes an arrangement or composition with his creditors, or otherwise takes the benefit of any statutory provision for the time being in force for the relief of insolvent debtors, or (being a body corporate) convenes a meeting of creditors (whether formal or informal), or enters into liquidation (whether voluntary or compulsory) except a solvent voluntary liquidation for the purpose only of reconstruction or amalgamation, or has a receiver and/or manager, administrator or administrative receiver appointed of its undertaking or any part thereof, or documents are filed with the court for the appointment of an administrator of the Buyer or notice of intention to appoint an administrator is given by the Buyer or its directors or by a qualifying floating charge holder (as defined in paragraph 14 of Schedule B1 to the Insolvency Act 1986), or a resolution is passed or a petition presented to any court for the winding-up of the Buyer or for the granting of an administration order in respect of the Buyer, or any proceedings are commenced relating to the insolvency or possible insolvency of the Buyer; or
- (b) the Buyer suffers or allows any execution, whether legal or equitable, to be levied on his/its property or obtained against him/it, or fails to observe or perform any of his/its obligations under the Contract or any other contract between the Company and the Buyer, or is unable to pay its debts within the meaning of section 123 of the Insolvency Act 1986 or the Buyer ceases to trade; or
- (c) the Buyer encumbers or in any way charges any of the Goods.
- 8.6 The Company shall be entitled to recover payment for the Goods notwithstanding that ownership of any of the Goods has not passed from the Company.
- 8.7 The Buyer grants the Company, its agents and employees an irrevocable licence at any time to enter any premises where the Goods are or may be stored in order to inspect them, or, where the Buyer's right to possession has terminated, to recover them.
- 8.8 Where the Company is unable to determine whether any Goods are the goods in respect of which the Buyer's right to possession has terminated, the Buyer shall be deemed to have sold all goods of the kind sold by the Company to the Buyer in the order in which they were invoiced to the Buyer.
- 8.9 On termination of the Contract, howsoever caused, the Company's (but not the Buyer's) rights contained in this condition 8 shall remain in effect.
- 9. PRICE**
- 9.1 Unless otherwise agreed by the Company in writing, the price for the Goods and/or Services shall be the price set out in the Company's price list published on the date of delivery or deemed delivery.
- 9.2 The price for the Goods and/or Services shall be exclusive of any value added tax.
- 9.3 All costs or charges in relation to carriage and insurance during transit shall be payable by the Buyer in addition to the price of the Goods when it is due to pay for the Goods where the price of the Goods in any Contract is less than £250 before value-added tax, and in all other cases such costs or charges shall be borne by the Company.
- 9.4 For shipments outside UK mainland, i.e. Highlands, Channel Islands, the Company reserves the right to charge a delivery supplement.
- 10. PAYMENT**
- 10.1 Subject to condition 10.4, payment of the price for the Goods is due in pounds sterling on the last working day of the month following the month in which the Goods are delivered or deemed to be delivered and/or the services are performed.
- 10.2 Time for payment shall be of the essence.
- 10.3 No payment shall be deemed to have been received until the Company has received cleared funds.
- 10.4 All payments payable to the Company under the Contract shall become due immediately on its termination despite any other provision.
- 10.5 The Buyer shall make all payments due under the Contract in full without any deduction whether by way of set-off, counterclaim, discount, abatement or otherwise unless the Buyer has a valid court order requiring an amount equal to such deduction to be paid by the Company to the Buyer.
- 10.6 If the Buyer fails to pay the Company any sum due pursuant to the Contract, the Buyer shall be liable to pay interest to the Company on such sum from the due date for payment at the annual rate of 1.5% per month, accruing on a daily basis until payment is made, whether before or after any judgment.
- 11. QUALITY**
- 11.1 The Company warrants that (subject to the other provisions of these conditions):
- (a) upon delivery, and for a period of five years from the date of delivery the Goods shall
- (i) be of satisfactory quality within the meaning of the Sale of Goods Act 1979;
- (ii) be reasonably fit for purpose; and
- (b) the Services shall be performed with reasonable skill and care.
- (c) This warranty applies to hardware only. Fabric is subject to suppliers' guarantees.
- 11.2 The Company shall not be liable for a breach of any of the warranties in condition 11.1 unless:
- (a) the Buyer gives written notice of the defect to the Company, and, if the defect is as a result of damage in transit to the carrier, within 7 days of the time when the Buyer discovers or ought to have discovered the defect;

- (b) where the contract is for supply only of Goods the Company is given a reasonable opportunity after receiving the notice of examining the Goods and the Buyer (if asked to do so by the Company) returns such Goods to the Company's place of business at the Company's cost for the examination to take place there; and
  - (c) where the Contract is for supply and installation of Goods the Company is given a reasonable opportunity after receiving notice of examining the Goods and their installation on site.
- 11.3 The Company shall not be liable for a breach of any of the warranties in condition 11.1 if:
- (a) the Buyer makes any further use of such Goods after giving such notice; or
  - (b) the defect arises because the Buyer failed to follow the Company's oral or written instructions as to the storage, installation, commissioning, use or maintenance of the Goods or (if there are none) good trade practice; or
  - (c) the Buyer alters or repairs such Goods without the written consent of the Company.

11.4 Subject to condition 11.2 and condition 11.3, if any of the Goods and/or Services do not conform with any of the warranties in condition 11.1 the Company shall

- (a) if the Contract is for supply only of Goods, at its option repair or replace such Goods (or the defective part) or refund the price of such Goods at the pro rata Contract rate provided that, if the Company so requests, the Buyer shall, at the Company's expense, return the Goods or the part of such Goods which is defective to the Company;
  - (b) if the Contract includes installation of Goods by the Company, the Services shall be reperformed by the Company on site until such Services are in conformity or at the Company's option it may pay for the Services to be performed again.
- 11.5 If the Company complies with condition 11.4 it shall have no further liability for a breach of any of the warranties in condition 11.1 in respect of such Goods and/or Services.
- 11.6 Any Goods replaced shall belong to the Company and any repaired or replacement Goods shall be guaranteed on these terms for the unexpired portion of the five year period.
- 11.7 The Buyer is responsible for ensuring the suitability of and absence from manufacturing flaws in any fabric supplied by the Buyer and for marking any such flaws. The Company is not responsible for the performance of any fabric supplied by the Buyer, including (without limitation) its adhesive capabilities when attaching bond cloth, shrinkage, matching of patterns and manufacture into roller blinds. The Buyer is responsible for all fabric and labour costs of remedying fabric flaws discovered by the Company in the course of manufacturing the Goods.

## 12. LIMITATION OF LIABILITY

- 12.1 Subject to condition 4, condition 6 and condition 11, the following provisions set out the entire financial liability of the Company (including any liability for the acts or omissions of its employees, agents and sub-contractors) to the Buyer in respect of:
- (a) any breach of these conditions;
  - (b) any use made or resale by the Buyer of any of the Goods, or of any product incorporating any of the Goods; and
  - (c) any representation, statement or tortious act or omission including negligence arising under or in connection with the Contract.
- 12.2 All warranties, conditions and other terms implied by statute or common law (save for the conditions implied by section 12 of the Sale of Goods Act 1979) are, to the fullest extent permitted by law, excluded from the Contract.
- 12.3 Nothing in these conditions excludes or limits the liability of the Company:
- (a) for death or personal injury caused by the Company's negligence; or
  - (b) under section 2(3), Consumer Protection Act 1987; or
  - (c) for any matter which it would be illegal for the Company to exclude or attempt to exclude its liability; or
  - (d) for fraud or fraudulent misrepresentation.
- 12.4 Subject to condition 12.2 and condition 12.3:
- (a) the Company's total liability in contract, tort (including negligence or breach of statutory duty), misrepresentation, restitution or otherwise, arising in connection with the performance or contemplated performance of the Contract shall be limited to the Contract price; and

- (b) the Company shall not be liable to the Buyer for any pure economic loss, loss of profit, loss of business, depletion of goodwill or otherwise, in each case whether direct, indirect or consequential, or any claims for consequential compensation whatsoever (howsoever caused) which arise out of or in connection with the Contract.

## 13. ASSIGNMENT

- 13.1 The Company may assign the Contract or any part of it to any person, firm or company.
- 13.2 The Buyer shall not be entitled to assign the Contract or any part of it without the prior written consent of the Company.

## 14. FORCE MAJEURE

The Company reserves the right to defer the date of delivery or to cancel the Contract or reduce the volume of the Goods ordered by the Buyer (without liability to the Buyer) if it is prevented from or delayed in the carrying on of its business due to circumstances beyond the reasonable control of the Company including, without limitation, acts of God, governmental actions, war or national emergency, acts of terrorism, protests, riot, civil commotion, fire, explosion, flood, epidemic, lock-outs, strikes or other labour disputes (whether or not relating to either party's workforce), or restraints or delays affecting carriers or inability or delay in obtaining supplies of adequate or suitable materials, provided that, if the event in question continues for a continuous period in excess of 60 days, the Buyer shall be entitled to give notice in writing to the Company to terminate the Contract.

## 15. GENERAL

- 15.1 Each right or remedy of the Company under the Contract is without prejudice to any other right or remedy of the Company whether under the Contract or not.
- 15.2 If any provision of the Contract is found by any court, tribunal or administrative body of competent jurisdiction to be wholly or partly illegal, invalid, void, voidable, unenforceable or unreasonable it shall to the extent of such illegality, invalidity, voidness, voidability, unenforceability or unreasonableness be deemed severable and the remaining provisions of the Contract and the remainder of such provision shall continue in full force and effect.
- 15.3 Failure or delay by the Company in enforcing or partially enforcing any provision of the Contract shall not be construed as a waiver of any of its rights under the Contract.
- 15.4 Any waiver by the Company of any breach of, or any default under, any provision of the Contract by the Buyer shall not be deemed a waiver of any subsequent breach or default and shall in no way affect the other terms of the Contract.
- 15.5 The parties to the Contract do not intend that any term of the Contract shall be enforceable by virtue of the Contracts (Rights of Third Parties) Act 1999 by any person that is not a party to it.
