SOHO

A mixed media aesthetic, 28mm metal poles with a very authentic and appealing textured woodgrain effect in various shades. The combination of the softer pole paired with high specification metal accessories adds to the sophistication without overshadowing the pole's sharp yet natural effect. Classic stud finials, rounded brackets and square cut rings in a select range of colours complete this contemporary look.

Accents

The Accents by Integra tieback range exemplifies the beauty of understated design. The fine strands of the tassel give a silky texture to contrast the long embrace which has been bound with a braided cord to ensure a seamless, elegant silhouette. Illustrating close attention to detail, the curved body features a delicate chevron pattern cord that highlights the rich metallic tones in the range.
